

## Recommended Names for Rector Search

All Saints' Episcopal Church

Our church will soon be conducting a search for a new rector. The vestry would like to give you the opportunity to recommend the name of any ordained Episcopal priest who you feel would be a good match for our congregation. Please fill out the blanks and questions below and return this form to the White or Gray House, or place it in one of the provided ballot boxes in the All Saints' School Chapel or Student Union.

It is important to understand that the vestry or search committee may call you for more information about your recommendation if necessary. Any name you submit may or may not be passed on the Bishop of Texas for further consideration.
